At the end of our 40-year reunion last year a lot of people did not want to see the evening end and several people mentioned that they would like to get together again sooner than 10 years down the road. The RHS Class of 74 Reunion Committee has planned a low-key picnic for this year's gathering. It will be on August 29th at Mud Mountain Dam Recreational Area, from 11:30AM-3:30PM. We hope that you are all able to join us. Since it is our first attempt at a low-key event this is a totally no host event (OK if you show up starving and thirsty we will share our food!). Please help us spread the word about our picnic since we are not mailing out any invites in keeping with our desire to keep this low key and affordable to all. Please see the details below:
